What testers say

"Incredibly intense orgasms. In combination with a partner, it's a great experience"

"I love how ROMP Free feels! It's small - fits in your purse and the fact that it's sealable makes it feel a little more hygienic."

"The design of the Free is sweet and the cap is great. It is not directly recognizable as a sex toy and because it is so small and playful you immediately think of how handy it is for the purse."

"The vibrations of the cock ring are very pleasant and arouse you even more. The material feels high quality and hygienic"

"You will have a lot of fun with Juke, whether with or without a partner."

"ROMP Flip looks great and you can hold it really well, so it's not exhausting to hold it in your hand."

"The great thing about Flip is that it massages not only the clitoris but also the entire area around it."
