

# Premium eco

## Loving our planet can be orgasmic

**PREMIUM eco** is the greenest Pleasure Air toy ever created. Made from innovative biodegradable Biolene and being fully recyclable, **PREMIUM eco** is a pleasure for both you and the environment.

### Pleasure Air Technology

The innovative Pleasure Air Technology stimulates your clitoris without even touching it. Gentle sucking sensations guide you to a new kind of orgasm, unlike anything you've ever experienced - and now in an environmentally conscious way. Do it for yourself and the environment.

### Eco-friendly

**PREMIUM eco** is made from innovative Biolene — a unique bio-based material from Womanizer that is in addition biodegradable. It's an excellent eco-friendly alternative to ABS plastic. Should you decide to part ways with your **PREMIUM eco**, you can do so without creating waste.

### Recyclable

Recycling is made effortless as **PREMIUM eco** can be fully disassembled into individual parts. Featuring a replaceable, rechargeable battery, ensures your toy will perform for as long as you want it to.

THE ORIGINAL

# Features

**Magnetic charging**  
Magnetic attraction — magnetic pins make recharging quick and convenient. The cable is 50% shorter, reducing materials used by 50%.

**Warning**  
As the product is made from natural materials, do not expose it to temperatures higher than 55°C (131°F)

**Exchangeable Battery**  
The long-life battery can be charged up to 300 times and easily replaced

**Smart Silence**  
Thanks to this technology, PREMIUM eco will only turn on upon contact with the skin.

**Recyclable**  
The unique design allows you to disassemble it — making recycling efficient and effortless.

**One Tree Planted**  
For every PREMIUM eco sold, Womanizer will plant one tree and supports One Tree Planted.

**12 Intensity Levels**  
Individually adjustable, from soft to intense. A setting for every mood.

**Extra Stimulation head**  
Every body is unique. Find the perfect size for your clitoris for completely unbelievable sensations.

**LED indication**  
Always know how much playtime you have left before your next recharge.

**Splash-proof**  
The splash-proof design makes it easy to clean with a damp cloth.

# Facts

Model	WZ16
Name	PREMIUM eco
Color	Rose
Waterproof	IPX4
Battery Type	Rechargeable lithium ion; 14500, 3.7 V battery
Material	Biolene
Product Dimensions	54mm x 54mm x 165mm
Packaging Dimensions	175mm x 60mm x 195mm
Product weight	159g
Total weight incl. Packaging	497g
Run Time	240 min
Charge Time	120 min
Warranty	5 years
Package contents	Premium eco, storage bag, charging cable, additional stimulation head, manual
