Pure Silicone: Experience Every Sensation

Mayer Labs' expertise transcends sex, converging it with precision science. In collaboration with a team of 35+ seasoned German scientists and engineers, we've invented an ultra-premium silicone lubricant that elevates your sensory experience, ensuring you don't just slide but truly savor every moment.

Unbeatable Durability

Swirl Silicone Lubricant stands unrivalled as the thickest silicone lubricant available. Its velvety texture delivers enduring performance, heightening your sensations while providing a gentle touch to sensitive skin. Experience prolonged sensual and sexual intercourse like never before.

- Top quality lubricant developed using 35+ years of German science and engineering
- Unique Euro pump provides easy, mess-free dispensing
- Condom-safe and formulated for vaginal, anal, and oral use
- Long-lasting, luxurious formula that intensifies feeling
- Gentle on delicate skin

Organic, botanically infused formula

Unlock the Power of Nature

Kimono Swirl Natural Cleaning Gel harnesses the raw force of nature to maintain pristine moments. Crafted exclusively to safeguard your toys, intimate essentials, menstrual cups, and body parts.

Your Body's Best Friend

Suitable for even the most sensitive areas—vaginal and anal. Embrace non-irritating ingredients that ensure you're always primed for pure, unadulterated enjoyment.

Beyond Liquid – It's a Gel

A few drops, a world of difference. It's not just a cleaner; it's an efficient, long-lasting gel managing microbes, and it's alcohol-free for extra care.

○ A naturally pure way to clean yourself, your partner, and your intimate accessories

○ Specially designed for use with toys, menstrual cups, and other products

○ Gentle ingredients clean easily and effectively
