

SWISS NAVY® Premium Lubricant

Silicone and Water Based

Q. What's so great about Swiss Navy® Lubricants?

A. Our **Swiss Navy® Lubricants** have patented leak-proof locking pumps on every bottle. Our pumps make **Swiss Navy®** lubricants very travel friendly and spill proof via the locking pump. Our uniquely designed bottles have a high-end look. They are designed to be kept on the nightstand, not in it.

Swiss Navy® Silicone is made from the highest grade of silicone available in the market today, making it very silky and velvety. Our silicone based lubricant long is lasting, so there is no need to reapply. **Swiss Navy®** Silicone based lubricant is perfect for anal sex and is great for intimacy in water. Many post-menopausal women may benefit more from **Swiss Navy®** Silicone since it is not absorbed and can help with dry, sensitive tissues.
