

The **GPS** By **Okiya**The **Erotic** Global
Positioning System

Dreaming of being at the right spot, this new vibro G Spot / P Spot shows you the way to go straight to the point.

The GPS is a true shutter release of pelvic seisms for him and her. It helps you locate the zone of zones, the point of points, G (Grafenberg) for ladies and P (Prostate) for gentlemen!

Perfected to activate your G and P Spots, the GPS is besides, the only apparatus to this day which men and women are going to love for kicking off orgasms worthy of the 21st century. We are not talking here about simple small pleasures, but rather about an eruption, a discovery of your body full capacity for enjoyments.
