

Geisha Cream

The goal... Feminine orgasm... Exciting proposal the Geisha Cream!

A thoughtful alliance of natural products: Canola oil, bee wax, ylang ylang, ginseng and eucalyptus to energize feminine organs.

The approach: a light application of Geisha Cream inside and outside the genital organs, mix with subtle touchings or with some hard action and you will be sent into raptures.

Geisha Cream enjoys a solid reputation and this since 1998, Geisha Cream, a reliable product. Comes in a plastic jar of 15gr, good for dozens of applications. Geisha Cream stimulates in a natural way the contractions of the vaginal walls; it becomes more sensible to touch and the feeling of being penetrated is strong. Your Geisha Cream used in combination with your Japanese Balls, yes a good idea. A G-Spot swelling effect, an excited clitoris, a call for sex here are the goal and it's achieved through the Feminine Orgasm.
