

solo: pleasure for you

new

Touch by We-Vibe™

The ultra-powerful, silky-soft intimate massager

Satisfaction takes shape. Touch by We-Vibe™ is a silky-soft and sensual intimate massager that caresses all the right places in all the right ways. The sculpted shape is designed for the hand. The rounded tip targets your external pleasure points. And the gentle contours hug and stimulate erogenous zones all over your body. Enjoy Touch by We-Vibe with a partner or keep it all to yourself.

The power to gently rock your world. Don't be fooled. Beneath its gentle exterior, Touch by We-Vibe packs the power to deliver 8 vibration modes with a satisfying rumble. And it's 100% waterproof so you just might find yourself spending a little more time enjoying the shower or bath.

Now sounds good. Enjoy sensual massage with Touch by We-Vibe whenever you want. With 90-minute recharge and up to 2 hours of play on a single charge, it's ready for fun when you are. The low-power alert indicator lets you know when it's time to power up. A discreet carry bag makes it easy to take Touch by We-Vibe when you travel too.

About the We-Vibe® Brand

We're shaping an industry

We-Vibe designs and manufactures world-leading couples and solo vibrators. Our world-class engineers and industrial designers work closely with sexual wellness experts, doctors and consumers to design and develop intimate products that work in sync with the human body. And we use state-of-the-art techniques and

tools to make sure our products set new industry standards for ergonomic design and high performance while remaining eco-friendly and body-safe. We-Vibe is from Standard Innovation®, a Canadian company dedicated to shaping the future of sexual health and wellness.

We are committed to delivering on our promise of customer satisfaction.
