

vector by We-Vibe™

Adjustable Prostate Massager

Experience the next level of pleasure. Vector is the ultimate prostate massager, with rumbling vibrations that target both the prostate and the perineum. Designed for total comfort and epic pleasure, Vector is flexible and adjusts to your body – so you can find the perfect fit and hit just the right spots.

HOW IT WORKS

Vector's two motors work together to stimulate both the prostate and the perineum with rumbling vibrations and gentle pressure.

EXPERT DESIGN

Vector was designed in collaboration with leading prostate experts to be the ultimate prostate massager – every aspect was designed for the human body and your total comfort, safety and pleasure.

CUSTOMIZED PLEASURE

Vector is customized to fit your body, with an adjustable head and flexible base that target both the prostate and perineum in comfort.

REMOTE AND APP CONTROLLED

Change intensity and vibration modes in the moment with the easy-to-use wireless remote or free We-Connect™ app. Use We-Connect™ to control Vector's two motors independently, play and share control of Vector from anywhere, create custom vibes and play together with other We-Vibe® products.

vector by We-Vibe™

HOW IT'S WORN

Vector is fully adjustable so you can find the perfect fit. Insert Vector using some lubrication—once it slides into place you can turn it on. Experiment with different angles and vibration modes to find out what works best for you.

FEATURES

Comfortable design

A unique adjustable design with two powerful motors that target your prostate and perineum.

Waterproof

Vector is 100% waterproof, making it easy to enjoy anywhere and simple to clean.

Whisper quiet

Ready for spontaneous fun no matter where you are.

We-Connect™

With the free We-Connect™ app you can play and share control of Vector from anywhere, create custom vibes and play together with other We-Vibe® products.

4-button remote

Cycle through 10 intensity and vibration modes in the moment with the easy-to-use wireless remote.

Low-power alert

Know when your Vector needs a charge so that it's ready when you are.

Advanced security

Bluetooth® bonding prevents other signals from disrupting your wireless connection.

Extended sleep mode

Advanced settings in We-Connect™ let you keep Vector on standby for up to 4 hours before entering sleep mode.

Rechargeable

Convenient and eco-friendly, Vector is USB-rechargeable, with up to 2 hours of play on a single charge.

2-year warranty
