

wand^{by We-Vibe™}

Body Massager

An evolution of power, Wand is everything you could want from a body massager — waterproof, wireless and rechargeable, with unparalleled vibrations. Wand was created to be the perfect fit for use together or on your own, with an ergonomic shape, flexible head and playful attachments.

INNOVATIVE DESIGN

A completely ergonomic design, flexible head and playful attachments give you a range of sensations to explore.

SEAMLESS INTENSITY CONTROL

The one-touch intensity control acts like a dimmer switch, keeping you in the moment without distraction.

SMART SILENCE™

Smart Silence senses when Wand is close to you — turning the vibrations on when you're ready to go and off as soon as you're ready to stop, without you having to fumble with any buttons.

STAY CONNECTED

Wand comes equipped with Bluetooth 5 and the We-Connect™ app, which lets either of you take control with the touch of a screen and includes long distance connectivity — so you can play together, even if you're apart.
